# SPONSOR GUIDE

2025 STATE LEADERSHIP CONFERENCE

# Our Association

## Missouri HOSA

Missouri HOSA fosters exploration in the wide realm of healthcare through a community of like-minded students interested in healthcare. Members are introduced to experiences ranging from state and international leadership conferences to guest speakers, service projects, and leadership opportunities. We recognize that our members are the future of healthcare, and it is our mission to foster that community. HOSA has had a long-term impact not just on my career, but also with what I value, guiding my pre-professional interests and becoming my family. Each conference has given me the chance to grow and become the leader I am today. By becoming a partner to Missouri HOSA, you are taking a step towards our collective futures in healthcare and beyond!
